

MARTYN BRUSH

SENIOR INDEPENDENT BOARD DIRECTOR
FORDHAM GLOBAL FORESIGHT

Martyn Brush is a C-suite Financial Services executive and innovator in Risk. Martyn started his career as a Derivatives trader, specialising in Commodities and Foreign Exchange. He then progressed to become Global Head of Trading and Sales for FX and Commodity derivatives for the HSBC Group.

Moving into Executive Management, Martyn has served as a CEO, COO and CRO for major financial institutions, in multiple jurisdictions. Martyn is also an entrepreneur, having developed many innovative technologies, with a particular emphasis on Risk.

Martyn joined the Board of Fordham Global Foresight in January 2023. He views political risk as an increasing and difficult to quantify problem, affecting not only the short-term global economy, but also how companies will need to navigate over the next decade
